- 2nd fix joinery is 40% complete and kitchens are being fitted
- Bathrooms are now being fitted
- Central atriums: pendulum lights fitted and in decoration
- 50% of the building is fully plastered
- All three lifts have been fitted
- The electric substation, gas and water are now fully commissioned
- Scaffolding is now being removed
- Design and communal spaces are agreed for fitting
- Safety inspection came back as good
- No accidents to report
- Furniture has been ordered
- 120 of the 191 units are confirmed as tenanted with further weekly bookings and enquiries ongoing
- Anticipated completion is mid-August 2018

IMPORTANT, PLEASE NOTE

Anticipated completion is mid-August 2018

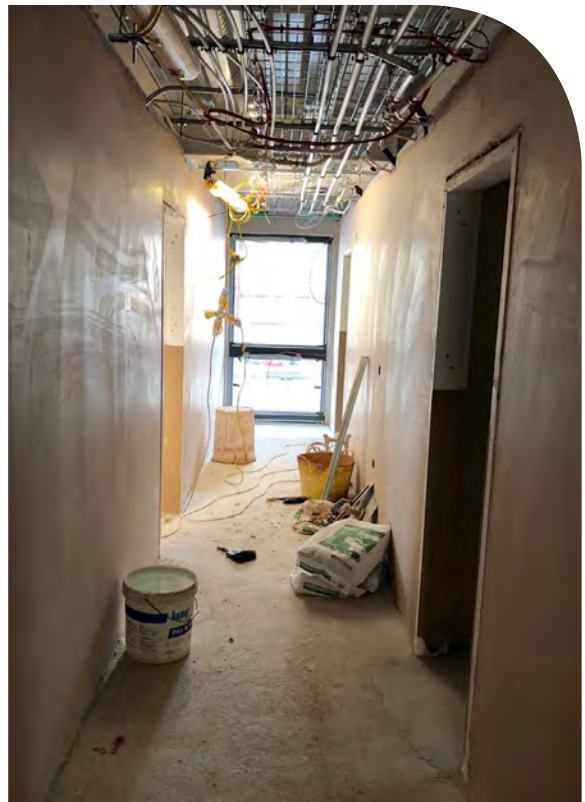

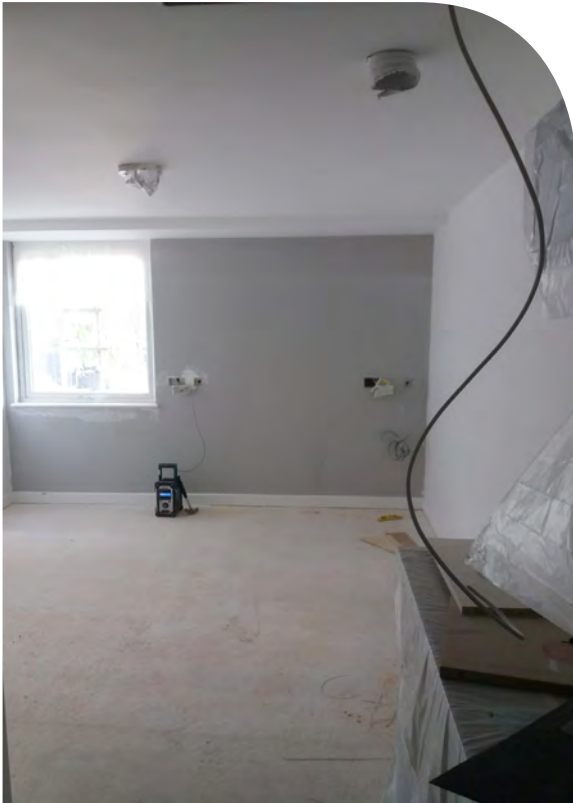

Please prepare your finances now to ensure that your completion monies are ready to be sent to your solicitor when they are requested in early August. If you are going to be on holiday around this time, please speak to your solicitor to ensure that you have made the necessary prior arrangements in order to complete on time.
